

## *Christmas Holiday Update*

*12/23/2020*

Dear Residents/Families/Friends,

With Christmas and New Year's Eve around the corner, we would like to send you and your loved ones the warmest of holiday wishes. We know how difficult it is to celebrate this time of year without the same traditions we have all grown accustomed to, but with the COVID-19 vaccine becoming a reality in the very near future, we are more hopeful than ever that 2021 will bring happier and safer times for everyone.

As always, we are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with wonderful holidays. Horizon Health and Rehabilitation Center is offering a resident Holiday concert, performed by our own residents; visit from Mrs. Claus; caroling during the Christmas Week; and providing a classic Christmas meal consisting of pot roast, mashed potatoes with homemade gravy, vegetable medley with a homemade Christmas cake for dessert.

The visitation schedule for the holidays continues by appointment only, scheduled with receptionist: 702-382-5580.

We did receive confirmation that one staff member tested positive for COVID-19 yesterday, which brings our cumulative total number of cases to: 48 residents and 44 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Horizon Health and Rehabilitation Center, I wish you a happy and safe Holiday Season.

Sincerely,

*Nicole Owczarski*

Administrator
