

May 20, 2020

Dear Residents and Families/Representatives,

We hope this letter finds you well. It is hard to believe that it has been over two months since COVID-19 so drastically changed our lives. We have all had to make big adjustments in an effort to keep everyone in our community safe, and we appreciate your support as we continue to take all necessary steps to prevent further spread of COVID-19 in our facility.

CURRENT COVID-STATUS

We are happy to report that as of May 18th, the Department of Health has cleared our facility and Horizon Health and Rehabilitation Center is COVID free.

WHAT WE ARE DOING

While we are extremely happy that there is no longer COVID in our facility, we recognize this virus is extremely contagious and we must continue to keep our residents and staff's safety our number one priority. As such, we will continue to implement and practice enhanced safety precautions recommended by our federal, state and local health officials, such as, only allowing essential personnel inside the facility, performing regular screenings for signs and symptoms of illness prior to entering the building, continually monitoring residents, performing regular deep cleanings, using PPE as recommended by the CDC, providing individual activities as opposed to group activities, implementing isolation protocols as required, and reminding and encouraging staff to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community.

FUTURE COVID-REPORTING

As a reminder, we will post all future updates on our facility website and we will individually notify representatives/families regarding a resident's condition if he/she tests positive for COVID-19 or is displaying symptoms of COVID-19.

CONTACT US

We understand these uncertain times bring up many questions, and while we are making every effort to provide you with as much information as possible, we are happy to answer any questions you have. Please feel free to contact us directly at 702-382-4453.

Sincerely,

Mark Dinardo, RN
Director of Nursing
