

WEEKLY UPDATE

June 25, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that we currently have no confirmed cases of COVID-19 in our facility.

Clark County's positivity rate is currently at 4.3% and staff are tested once monthly. As long as the County's positivity rate remains under 5%, facility staff will be tested once per month or until a positive staff member or residents occurs. Our next testing date for staff is scheduled for June 29, 2021.

At this time, we are allowing outdoor visitation only, weather permitting. We will accommodate compassionate visits for our residents who are on Hospice. We will still schedule visits; however, those visits are subject to cancellation pending test results. Visits are by appointment only. Please contact Reception to schedule your visit: 702-382-5580. We are allowing 30-minute visits; visitors will be screened, will be required to wear a mask and keep socially distanced from your loved one. Noncompliance with these basic precautions will result in facility staff terminating the visit.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-382-5580.

Sincerely,

Nicole Owczarski, LNH, MSW, LSW
