

Dear Residents and Families/Representatives,

Please accept this letter as our update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility and we have no presumptively positive residents. The State has cleared us to accept new admissions, however, we require a negative COVID-19 test from the discharging facility to ensure the safety of our current residents and staff. Any new admission is quarantined in an isolated area for 14 days to ensure no new symptoms emerge.

Unfortunately, at this time, we are still enforcing visitation restrictions, with the exception of a compassionate visit in the event a resident is actively passing. We encourage facetime visits and window visits. Please contact the Activities Department if you are interested in scheduling a virtual or window visit (702-815-2226).

As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-382-5580.

Sincerely,

Nicole Owczarski, LNHA, MSW, LSW  
 Administrator
